<p>El Cajon James R. Davis jdavis@ci.el-cajon.ca.us</p>	<p>The Club members, their families and young people from our Interact program will come together to paint the inside of the offices of Little House Family Services in El Cajon. Little house Family Services is a non-profit organization providing outstanding service(s) and service coordination to hundreds of families in El Cajon. The committed staff and management work long hours, in a cramped and well worn facility, literally changing lives and helping to make East County a safer and healthier place. They recently were able to undertake a building project to add desperately needed office, counseling and meeting space. Available funding will not cover all the costs of construction. The commitment of the Rotary Club of El Cajon to paint the inside of the new facility will contribute significantly to helping these hard working professionals realize their dream of having a pleasant, professional environment in which to serve their clients. We are excited about this opportunity.</p>
<p>El Cajon Breakfast Rolland Slade sladeccm@juno.com</p>	<p>Perform an "Extreme Makeover" of The Rose House Kinship Center at 1863 Dehesa Road in El Cajon by painting the outside, landscaping and through our partnerships, renovating the rooms inside the center. We are partnering with USE Credit Union, Meridian Baptist Church, All Congregations Together, and Cuyamaca College's Horticulture department. Our partnership with USE Credit Union includes bringing youth to assist on that day as part of their participation in National Credit Union Youth Day.</p>
<p>El Camino Real Son T. Horton sonhorton@yahoo.com</p>	<p>Install a new playground set for the Palmquist Elementary School and plant trees around the site. The school demolished one of their sets due to safety concerns. They later discovered that replacing it would be very difficult since the bond ran out of funds caused by higher construction costs. Our club will be volunteering manual labor, time and fund raising experience to help offset some of the expenses.</p>

<p>El Centro Francisco Miranda fmiranda@earthlink.net</p>	<p>We have enrolled in the CalTrans Adopt a Highway Program and will be removing litter off of the East bound lane of Interstate 8 between Imperial Ave Exit and Dogwood Rd. Exit in El Centro, Ca. We begin this Saturday Jan. 28th and I will schedule our next clean up for April 29th. We are encouraging the Interact students from El Centro, and Southwest High School to participate. This project will continue for the rest of the year.</p>
